Dept Student Attendance - Updated on 07/10/2026 10:59:01 AM

Important Instructions:

- The fields marked with (*) are mandatory.
- Fill all the details and click on "Save Changes" button to save the Information of the Student Attendance.
- Please put mouse cursor over ⓘ for instructions while entering details.

Note :- Subject wise average attendance upto the date of monitoring i.e. 30/09/2026. Please use the following formulas to calculate the Subjectwise average attendance %

$$\text{Average Theory Attendance \% in a subject till the date of monitoring} = \frac{\text{Total count of presentee marked for all theory lectures conducted till the date of monitoring}}{\text{(Total number of theory lectures conducted till the date of monitoring X Number of students in the class)}} \times 100$$

$$\text{Average Practical Attendance \% in a subject till the date of monitoring} = \frac{\text{Total count of presentee marked for all practicals conducted till the date of monitoring}}{\text{(Total number of practicals conducted till the date of monitoring X Number of students in the class)}} \times 100$$
